Hi Kate,
Attached are the EPA slides for the meeting tomorrow.

For meeting in person attendees:

Sue Makris is going to be virtual.
Ravi MAY be virtual (very likely) – I will know tomorrow
Andrew MAY be virtual – I will know tomorrow
I MAY be virtual – I will know tomorrow

I can email you status of people in the morning. Sorry about all of the up and down. What do you need from us if people are virtual? I expect Andrew would need to be on the meeting early to test his connection. He may need a phone and link option – he has had trouble with zoom in the past.

Thanks so much
Vicki

Thanks, Vicki, that's understood.

It would be great to have the slides on Tuesday at the latest, to avoid delays at the time of your presentation. Please do keep our wonderful project assistant, Brenna Albin (balbin@nas.edu), on copy when you email them, as she will be kindly compiling the slides and sharing them with the webcaster.

Thanks again,
Have a great Friday and long weekend ahead,
Kate

Hi Kate,

We will do our best to get them to you but with the holiday on Monday and then clearance it may not be until the last minute. Apologies!

Good morning, Vicki and all,

Not a problem- we will include Deb and Ravi on the in-person list, and it will be fine if anyone reverts to Zoom day-of. We will be able to promote Ravi (and any others) to speak via Zoom as needed.

We will appreciate an update of who/when to expect in-person that morning.

I also wanted to check on when to expect EPA's slides, please? We'd like to share these with the committee in advance to aid their preparation.

Thanks so much,

Kate

Hi Kate, good morning

I have two changes....

Deborah Segal would like to attend in person

Ravi Subramaniam would like to attend in person (and is planning to) but may not be able to and won't know until the day of. Would it be possible to let him participate verbally through zoom if needed?

Thank you, sorry for the extra details.

Vicki

Hi Kate, good morning

Here is the list of EPA staff who will be present in person on October 12:

Samantha Jones

Kris Thayer

Andrew Kraft

Thomas Bateson

Ravi Subramaniam

Vicki Soto

Dahnish Shams

Sue Makris?

I haven't heard from Sue so I'm not sure she will be there in person but maybe it is better to include her?

Thanks

Vicki
